Scriptures: Proverbs 8:22-31

Title: **Wisdom and Creation: "I Was There!"**

Today's poem celebrates 'Wisdom' in creation. Amazing claims are made about the relationship between the Creator and his creature 'Wisdom' (personified, like Lady Wisdom). But, are the claims too strong? Might they apply beyond Wisdom herself?

I. Before Creation: Wisdom the Divine Principle : Prov 8:22-26.

II. At Creation: Wisdom the Divine Architect: Prov 8:27-30a.

III. After Creation: Wisdom the Divine Companion: Prov 8:30b-31.

IV. From Creation to Consummation: Jesus the Wisdom of God.
