

Series: John's Portrait of Jesus

Scripture: John 6

Title: 'I am the Bread of Life'.

Jesus, after miraculously feeding more than five thousand people on a lonely hillside across the Sea of Galilee, was pursued back to Capernaum by a crowd in search of more bread. This leads into one of Jesus' most powerful self-defining metaphors, 'I am the Bread of Life'.

I. What is different about this bread?

II. What happens to us when we eat this bread?

III. How do we get this bread?
