

## **Moses – The Making of a Man of God**

Does it Ever Get Easier?

Scriptures: Psalm 90; Deuteronomy 34; Hebrews 12:18-29

Synopsis: Moses' life can be seen in the light of our three scripture texts, as well as with the metaphor of three mountains. Our goal will be to see God's grace in a long and fruitful life, but also a life filled with partial successes, some failure, and even a measure of pessimism (realism?). How (looking back on the 'man of God') can we better understand what really counts in life, when all is said and done.

**I.** Psalm 90: Mount Sinai, and Moses' own look back at life.

**II.** Deuteronomy 34. Mount Nebo, and God's look back at Moses' life.

**III.** Hebrews 12:18-29. Mount Zion, and the final word on Moses' life.
