*NEWS and NOTES*

**Introducing this morning's missions guest:**

國際關心中國慈善協會  
**International China Concern**  
 Creating full lives for China's abandoned and disabled

**International China Concern (ICC)**  
 was founded in 1993 by David Gotts after seeing firsthand the suffering of Chinese children with disabilities who

had been abandoned and left without hope in desperate conditions. In the beginning, ICC sent short-term teams into China to provide care in government welfare centres. Later, ICC established permanent locations which provide full-time family-style care for children in Changsha and Hengyang in Hunan Province.
