All the things in this world are gifts and signs of God's love to us. The whole world is a love letter from God.

Peter Kreeft, professor of philosophy

God loves you! It's not complicated or conditional—it's just a fact! Our human understanding can't comprehend the reason why, only that it's true. As much as you might want to explain it, dissect it, reason it out, you just can't. Instead of wrapping yourself in questions, wrap yourself in His love.

Rebecca Currington, author
