## The Lily's Message by Marie Elmore Baxter

The Easter lily blooms again  
 From out the deep dark sod;  
 Its snowy bells bring messages  
 With every graceful nod.

The lily speaks of purity,  
 Of faith and trust and love;  
 It bids us to be grateful for  
 Each blessing from above.

It speaks of everlasting life  
 That came from out the tomb,  
 Upon that far-off Easter morn  
 When Christ cast off death's gloom.

To walk again with those He loved,  
 To touch the fragrant flowers  
 That grew within the garden walls,  
 To spend more happy hours

With those who had believed Him dead,  
 Who mourned Him as one gone,  
 The lily bids us greet Him now,  
 This blessed Easter dawn.

\* \* \* \* \*

Faith is the root; hope is the stem; love, the perfect flower.  
 You may have faith without hope, and hope without love;  
 but you cannot have love apart from faith and hope.  
 ~F.B. Meyer~
